Arts For All, Inc.

Dear Students, Parents and/or Guardians,

Over the weekend, Arts For All received information that a staff member has recently received tested positive for Coronavirus (COVID-19). **However, this individual has NOT been in close contact with Arts For All with instructors or students.** As you have no doubt seen in the news, COVID stats for the county and state are increasing at this time. Please be diligent in your efforts outside of our program to avoid crowds, confined spaces, and close contact and wear a mask whenever that is not possible. Although the positive staff member has not been in close contact, we still want to be as transparent as possible in keeping our school community up to date.

**REMEMBER: Students shall not attend any Arts For All classes if experiencing any of the following:**

- Been in contact with someone positive for COVID-19
- Fever of over 100.0 °F
- Shortness of breath or difficulty breathing
- New onset of loss of taste or smell
- Chills longer than two hours
- Congestion, sore throat and/or runny nose
- Nausea, vomiting or diarrhea
- New onset of dry cough
- Headache or muscle pain

Cleaning and disinfecting of the exposed location have been completed. Arts For All urges everyone to take necessary precautions to limit coronavirus spread in our community.

### How You Can Help

- **Stay home when you are sick.** Anyone with symptoms consistent with COVID 19 should remain at home in isolation for a minimum of 10 days plus at least 24 hours after the resolution of fever (without fever-reducing medication) and improvement in other symptoms.
- **Wash your hands often with soap and water for at least 20 seconds.** Sing the Happy Birthday song to help know when it has been 20 seconds. If soap and water are not available, use alcohol-based hand sanitizers that contain at least 60% alcohol.
- **Cover your coughs and sneezes with a tissue, and then dispose of the tissue and clean your hands immediately.** If you do not have a tissue, use their sleeve, not your hands, to cover their coughs and sneezes.
- **Limit close contact with people who are sick, and avoid sharing food, drinks, or utensils.**
- **Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipes.**
- All students and staff should **wear a mask or face covering while participating in Arts For All programs.**

If you have any questions or concerns please contact me directly at 402-556-7821 or [info@artsforallinc.com](mailto:info@artsforallinc.com).

Sincerely,

Juliana Taber  
Executive Director
